Application for Accreditation 2012-2013 Legislative Session

In conformity with Rule 32 of the Joint Rules of the California Legislature, I hereby apply for press accreditation for the 2012-2013 session of the California Legislature.

I am familiar with the press rules as stated in the Temporary Joint Rules, and I am qualified for accreditation under those rules.

I am qualified under the provisions of Rule 32 (c), which states that accredited correspondents must be “employed by periodic publications of general circulation, providing that the applicants are employed on a full-time basis in the Capitol area preparing articles dealing with state government and politics and that their publications are not organs or organizations involved in legislative advocacy.”

I am also in compliance with Rules 32 (f), which states: “No accredited member of the Capitol Correspondents Association of California shall, for compensation, perform any service for constitutional officers or members of their staffs, for state agencies, for the Legislature, for candidates for state office, or for a state officeholder, or for any person registered or performing as a legislative advocate.”

I am listing below all full-time and part-time employers. I understand that the Officers of the Capitol Correspondents Association of California shall be notified of any change in my employment status during the 2012-2013 session.
